# Who We Are?

**SMILE Therapy Services is a mental health and wellness consulting firm** dedicated to providing preventative mental health and wellness services to corporations, organizations and individuals.

Our staff **consist of seasoned licensed mental health professionals** who are certified in providing trauma informed culturally competent services.

Our work **helps to improve psychological safety in workplaces**, increase retention by improving employee mental health and train leaders to lead the whole person.

---

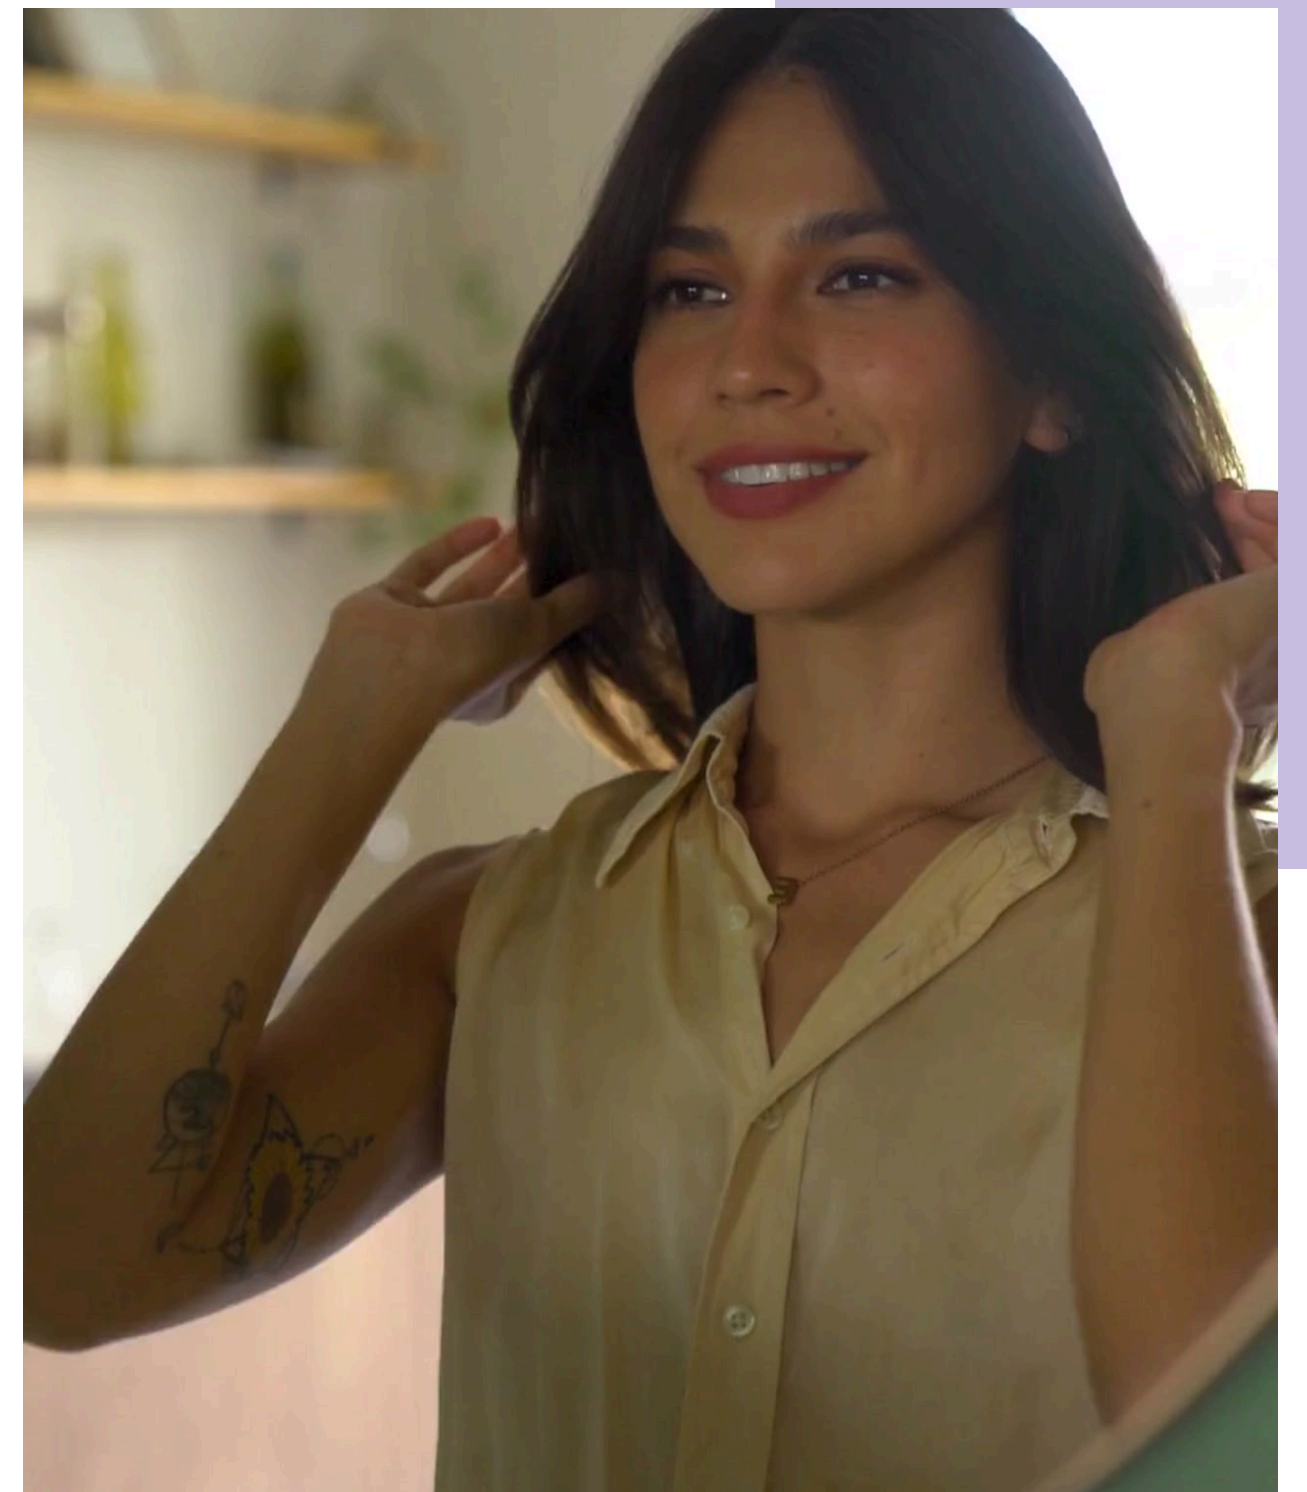

# Our Mission

**SMILE is committed to improving the lives of youth and adults** by providing preventative quality trauma informed and culturally responsive mental health services through direct therapy, program management, educational workshops, and mental health trainings.

Our mission is **to assist youth and their families** who struggle behaviorally, socially, and emotionally to become self-sufficient contributing citizens to society.

**We also are on a mission to ensure mental health is infused in the workplace** by providing preventative mental health solutions and leadership development through a social emotional lens to managers and executives.
